

# Investor's Claim-Rationale Dataset (ICRD)

## Academic Release Agreement

All of the textual data are collected from Bloomberg Terminal. **I will not share this dataset with others who do not sign and send this agreement to NTU NLP Lab.**

The annotations are licensed under the Creative Commons Attribution-Non-Commercial-ShareAlike 4.0 International (CC BY-NC-SA 4.0) license.

Please cite the following paper when using this dataset.

Chung-Chi Chen, Hen-Hsen Huang, and Hsin-Hsi Chen. 2021. Evaluating the Rationales of Retail Investors. In *Proceedings of The Web Conference 2021* (WWW 2021).

If you are interested in commercial use of these data, please [contact the NTU NLP Lab <http://nlg.csie.ntu.edu.tw/>].

I agree to the all the terms of use and licenses above.
